TRAVELLING TO THE BANKS'S STADIUM, WALSALL FC:

By road:

From the M6: Leave the M6 at junction 9 and follow the A461 towards Walsall. At the traffic lights turn right onto the A4148 (Wallows Lane/Broadway West - sign-posted Banks's Stadium). At the next set of traffic lights (1/3 mile) turn right onto Bescot Crescent, the stadium is 1/4 mile along the road on the left hand side.

From Walsall town centre:

From the Arboretum island take the Broadway North exit and follow the Ring Road to the traffic signals by the Fullbrook Pub. At the traffic lights go straight ahead. At the next set of traffic lights by Broadwalk Retail Park turn left, Banks's Stadium is 1/4 mile along the road on the left hand side.

Parking:

A secure car park is available at Banks's Stadium, the cost is £3 per vehicle. We recommend people wishing to park on the stadium site arrive well in advance of the match kick-off time. Parking is not permitted on the nearby retail park for people attending the match. The club ask that supporters are considerate when parking their vehicles, minimising inconvenience to local residents. We encourage supporters to travel to the game by car to share their journey with friends and family to reduce the number of vehicles arriving at the stadium, allowing everyone to have an easier journey home from the ground.

By bus:

Banks's Stadium is well served by buses. All buses leave from the Bradford Place bus station (just down from The Saddlers Shop in the Town Centre). Service numbers 401 and 405 run every 15 minutes and stop on Bescot Crescent outside the ground. The 404 service runs every eight minutes and stops on West Bromwich Road a short walk from the ground.

By rail:

Banks's Stadium is a two-minute walk from Bescot Rail Station. Trains from Walsall take three minutes to the ground and on matchdays all services stop at the Banks's Stadium. To get train times go to <http://www.nationalrail.co.uk> or call the Centro Hotline - 0121 200 2700. A standard return from Walsall to Bescot costs around £1.10.

For information on public transport we recommend you contact the following organisations:
