DIRECTIONS TO COLCHESTER UNITED, WESTON HOMES COMMUNITY STADIUM:

With parking limited in the immediate surrounds of the stadium - similar to the schemes in operation at Brighton and Swansea - visiting fans are advised to use official coach travel services where possible and where advertised with your own club.

There are, however, other alternatives.

VISITING FANS BY CAR:

The U's stadium is now located on the north of the town, near to Colchester Business Park. Come off the A12 at the junction and take a left onto the A1232. When at the top of this road, bear right back over the A12 towards the traffic lights with the BMW Garage on your left. Go straight over and up Ipswich Road. At the next set of traffic lights, turn right onto Severalls Lane (signposted just previously for Colchester Cattle Market). Follow this road to its conclusion, where you will pick up signs for the stadium.

Please note that if you are travelling to the stadium for a first team match, then travel restrictions apply around the stadium on a matchday. The stadium's post code for those using Satnav is CO4 5UP

A. Matchday Car Park Permits:

Please note that there is only limited car parking at the stadium itself, with just under 700 spaces in the main stadium car park.

B. Parking Exclusion Zone:

Both Colchester United and visiting supporters should be aware that the immediate area around the Weston Homes Community Stadium is subject to a Parking Exclusion Zone on matchdays. Covering both existing Clearways and also nearby residential areas, these roads will be marshalled by Colchester United and Essex Police to prevent parking on roads not permitted under the Stadium Travel Plan.

C. Parking in Colchester:

Fans coming by car are able to park in town centre car parks, paying the required fee, before joining up with the Matchday Travel Service. Town centre car parks can be found at

http://www.colchester.gov.uk/car_parking_map.asp?sec_id=137, whilst there is also an extensive pay car park at Colchester Train Station. If parking in a town centre car park, visiting fans can use their match ticket (if purchased in advance) to buy a Matchday Rover on the number 65 bus on Head Street for £1 to the train station (a five to ten minute journey), where they can then link up with the shuttle bus service. For details of our Matchday Rover service go to

<http://www.cufc.premiumtv.co.uk/page/MatchdayTravel/0,,10424~1363954,00.html> and for our Shuttle Bus service go to <http://www.cufc.premiumtv.co.uk/page/MatchdayTravel/0,,10424~1363932,00.html>. There are plenty of pubs and restaurants in the town centre and visiting fans may find that getting to the ground in this way is an enjoyable one.

VISITING FANS BY TRAIN:

Visiting fans arriving by train to Colchester Station are able to take advantage of our shuttle bus service, which costs just £1 for a return journey. Upon arrival at Colchester Station, fans should turn left out of Colchester Station and hop on the shuttle buses - details are at

<http://www.cufc.premiumtv.co.uk/page/MatchdayTravel/0,,10424~1363932,00.html>. The shuttle bus starts at 1pm on a matchday and takes less than ten minutes to get to the ground!
