This is an excellent opportunity for pro-active individuals, with a keen interest of working in football. You will need to be up to date with current literature, understand the scope of practice, and seek to develop your practical skills alongside with opportunities to attend internal CPD events.

Main Duties:

- Provide emergency first aid cover - weekend and evening matchdays
- Clinical assessment of youth injured players U9s-U15s prior to the games
- Keep detailed and accurate records of injuries and treatments and upload them on the PMA.
- Communicate with coaches, sports scientist and parents regarding players' injury.
- Liaise with full time academy medical members to update for player's rehabilitation progress
- Attend and participate in in-house CPD sessions (when possible)
- Promote the safeguarding and welfare of children within the academy

Essential Requirements:

- Chartered physiotherapist, Sports Therapy or sport rehabilitator degree.
- FA ITMMiF (Level 4) or equivalent 1st aid qualification is essential to apply for the vacancy
- Driving License
- IT Literacy Skills

Desirable Requirements:

- Valid Safeguarding Certification
- Experience of working in professional sport with adolescent population
- Understanding of the EPPP requirements
- FA ATMMiF (Level 5) qualification

**Personal characteristics:**

Flexible working hours and timetable commitment.
